Mix for Red Velvet Cake

A perfectly deep red colour, a texture that's as soft as velvet and that subtle hint of chocolate flavour. That's what makes a real American Red Velvet Cake. Originally combined with a nice cream cheese frosting to make that red colour stand out even more. We love it and we think every home baker should be able to make it. So get your hands on this FunCakes Mix for Red Velvet Cake and just add vegetable oil, eggs and water to the mix!

- With this baking mix you easily prepare a soft and fluffy red velvet cake with a light chocolate flavour.
- Only add vegetable oil, eggs and water to prepare this perfectly red cake of confectioner's quality.
- This cake mix is also suitable for making red velvet cupcakes.

Sugar Paste

250g №10 1kg №6 5x100g №12

The FunCakes sugar paste has a delicious vanilla flavour. Perfect for covering a cake and to cut out shapes. Knead well before use and roll out on a thin layer of icing sugar. You can also use the sugar paste for modelling or create different shapes and designs. Also suitable to colour with food colouring.

- FunCakes sugar paste with delicious vanilla flavour, very flexible, smooth and easy to use because of its fine structure. The fondant is soft, pliable and completely hardens after processing.
- Thanks to its satin finish the FunCakes sugar paste is perfect for covering a cake. Do you wish to cut out shapes from the fondant, then you are sure to get neat, clean and sharp cut-outs.
- The sugar paste is also suitable for creating decorations, you can easily model or create different shapes and designs.

Covering Paste

500g ��12 1kg ��1

With the FunCakes Covering Paste you easily cover both small and large cakes with sugar paste. This sugar paste is extremely flexible and playable. We recommend this paste for all of your cake covering tasks as it can be rolled out even under 2 mm, ensuring perfect, sharp edges even for the biggest cakes! Do you like your fondant to be nicely firm, then this is it for you! Choose one of the 3 colours, or give the white covering paste any desired colour with the FunCakes colourings.

- · Extremely flexible without cracking.
- Roll out under 2 mm for perfect edges.
- · Easily remove imperfections.
- Fine, silky surface.
- Also works in warmer climates.

Marzipan

250g 〒10 → ● ×

FunCakes marzipan is very flexible and therefore easy to process. Roll it out to cover your cake with this heavenly layer of sweetness. Or create marzipan figures, roses or other decorations to add to your cake. And for all those bakers looking for that extra bit of convenience we now have the Almond Sugar Paste Disc: a combination of marzipan (60%) and 40% sugar paste, also known as marsefond. This innovative product combines the rich almond taste of marzipan (containing 11% of almonds) with the smooth, flexible texture of fondant, making it both tasty and easy to use.

- The coloured FunCakes Marzipan has a 1:4 ratio, containing 20% almonds.
- Flexible and smooth, so easy to roll out!
- To cover a cake (Ø24-26 cm / 20x20 cm) you need approx. 500 gram marzipan.
- Before use, knead well and roll out on a thin layer of powdered sugar.

Deco Melts

250g �6 1kg �4 灿⊷

The FunCakes Deco Melts offer you many decoration options! They are some of FunCakes' most versatile product groups. Melt and pour the Deco Melts into any desired shape. Equally popular with experienced home bakers as with their little ones. You can create drip cakes and cupcake decorations, but you can also use it for making lollipops and sweets. When you are having so much fun decorating and the melts harden a bit, no worries, just simply remelt them again! The FunCakes Deco Melts are available in many colours. Or create your own colour by mixing the white Deco Melts with the FunCakes food colourings. The Deco Melts aren't made from real chocolate, but they have sweet creamy flavour.
