ICING COLOR

Icing Color is a concentrated food coloring paste that adds vibrant color to butter-cream, sugar paste, marzipan, gum paste, batter, cookie dough and more. You can also mix colors to create your own custom shades. The paste is strong, economical in use, and perfect for decorating cakes and baked goods.

- Suitable for water-based preparations.
- Colors can be mixed for custom results.
- Perfect for sugar paste, icing, butter-cream, cookie dough and more.

LIQUID COLOR

Wilton Liquid Colors are ideal for decorating with vivid and long-lasting results. The water-based formula with added glycerine sticks better to buttercream and fondant, while the thin texture gives you more control.

The extended drying time makes this colour perfect for both professionals and hobby bakers. Achieve bright results with Wilton Liquid Colors!

- Perfect for coloring fondant, royal icing, and buttercream.
- Ideal for painting details on cookies, cakes, and decorations.
- Great for airbrushing with edible results.
- Can be used to sparkle your drinks or cocktails.
- Suitable for ombre effects and watercolor-style designs.
- Available in 14 different colors.

MUFFIN CUPS

With these sturdy Wilton Muffin Cups, you can effortlessly bake beautiful muffins and cupcakes. The high-quality ensures your bakes hold their shape nicely, and no baking pan is needed. The shiny metallic finish gives each treat a luxurious look, and the colour remains vibrant during baking. Thanks to the more flexible material, they are easy to use while still keeping your muffins and cupcakes in perfect shape.

- These muffin cups are also ideal for presenting other treats like petit fours, candies or cake pops, and they turn any dessert table into a festive display.
- Made from strong, colorfast material that doesn't let cake through.
- With 50 pieces, you'll have enough for parties or to bake ahead with ease.

MINI METALLIC BAKING CUPS

With these durable Mini Metallic Baking Cups from Wilton, you can bake colorful mini cupcakes and muffins that perfectly suit any party or theme. The set includes 160 cups. Thanks to the durable paper, they hold their shape well during baking and the foil prevents grease or color from seeping through. The metallic colors remain vibrant in the oven, adding a festive touch. Ideal for small treats such as mini cupcakes, muffins, petit fours, sweets or cake pops.

- The shiny foil gives a festive look suitable for any occasion.
- The sturdy cups retain their colour in the oven and prevent grease from seeping through.
- Suitable for cupcakes, muffins, petit fours, sweets and cake pops.
- The set contains 160 pieces with a diameter of approximately 3 cm.
