♥ Baking Mixes

A cake with perfectly **straight edges** and a colourful drip or a nicely even cupcake with a high swirl on top. Who said you couldn't create that yourself? Just take a little helping hand with a FunCakes baking mix for every treat. All you need to do is add butter, eggs and water. And enjoy the fun of course! Of licking the spoon with batter (we all do that right?), the **sweet smells that fill your home**, that creative flow you reach while decorating and that first bite... Heaven!

♥ Spreads & Ready to Use Ganache

A jar of FunCakes spread and ready to use ganache gives endless possibilities. They are sweet, creamy and oh-so-versatile! Use them both for layering between cakes, piping on top or into baked cupcakes or fill chocolate bonbons, cookies and croissants with. Want to cover an entire cake? Then choose the Ready to Use Ganache instead of spreads.

♥ Marzipan

حلال ۛ ۛ

FunCakes marzipan is very flexible and therefore easy to process. Roll it out to cover your cake with this heavenly layer of sweetness. Or create marzipan figures, roses or other decorations to add to your cake. And for all those bakers looking for that extra bit of convenience we now have the Almond Sugar Paste Disc: a combination of marzipan (60%) and sugar paste (40%), also known as marsefond. This innovative product combines the rich almond taste of marzipan (containing 11% of almonds) with the smooth, flexible texture of fondant, making it both tasty and easy to use.

- The coloured FunCakes Marzipan has a 1:4 ratio, containing 20% almonds.
- Flexible and smooth, so easy to roll out!
- To cover a cake (Ø24-26 cm / 20x20 cm) you need approx. 500 gram marzipan.
- Before use, knead well and roll out on a thin layer of powdered sugar.

♥ Deco Melts

250g  6 1kg  4 

The FunCakes Deco Melts offer you many decoration options! They are some of FunCakes most versatile product groups. Melt and pour the Deco Melts into any desired shape. Equally popular with experienced home bakers as with their little ones. You can create drip cakes and cupcake decorations, but you can also use it for making lollipops and sweets. When you are having so much fun decorating and the melts harden a bit, no worries, just simply remelt them again! The FunCakes Deco Melts are available in many colours. Or create your own colour by mixing the white Deco Melts with the FunCakes food colourings. The Deco Melts aren't made from real chocolate, but they have sweet creamy flavour.
